Chemical Institute of Canada | *For Our Future*

Department of Chemistry

“Reinventing Chemistry”

an evening with

Prof. George Whitesides

An exceptional, award winning research career will be the backdrop of Prof. Whitesides examination of the development and trends in the field of chemistry. He will discuss areas of opportunity, including in nanotechnology, and the emergence of new fields. Areas of science that are facing periods of maturation and reinvention will be highlighted.

6:00 pm

Monday, September 19, 2016

Room 1400 Segal Centre (Harbour Centre)

Simon Fraser University,

515 West Hastings Street

Vancouver, BC

RSVP: <http://websurvey.sfu.ca/survey/251585508>
